**Parent/carer acknowledgement.**

By submitting options choices, you are confirming that you have read the options booklet information and understand the following points:

- i). This is the first option which students will study until the end of Year 11 and will gain a qualification in. Three further options will also be chosen next year – the list of these is only indicative at this stage.
- ii). A broad spread of options choices is offered in good faith by the school, but some courses may not run if uptake is low or facilities/changes in specialist staffing/national qualification changes limit course availability.
- iii). Students may not be allocated their first choice and must, therefore, be prepared to study their reserve choice if this becomes necessary.
- iv). Once options have been started, students are **not** able to change courses.
- v). Triple Science may require some students to move bands, depending upon numbers opting to take it.
