Dear Parents/Carers,

This is a gentle reminder about the upcoming Pre-Public Examinations (PPEs) for our Year 11 students, which will take place from **Monday 17th November to Thursday 27th November**.

The full exam timetable is available at the bottom of this letter.

On exam days, students should attend their form groups as usual. Following form time, they will proceed directly to their exam venue. **Punctuality and attendance are crucial** — arriving on time ensures students are calm, prepared, and ready to perform at their best. Your support in reinforcing this message is greatly appreciated.

Please also remind students of the importance of these PPEs as they will serve as a benchmark for students' knowledge and progress across their curriculum. These examinations will take place under normal exam conditions, with students being seated in the sports hall (unless access arrangements are in place), to give the students a true and accurate experience of the exam process. We know this can be daunting for students, but familiarity of exam procedures is certain to alleviate stress in the next round of PPEs and, therefore, the summer GCSEs, too.

Due to the timing of morning exams, which may extend beyond 9:45am, Year 11 students will follow an adjusted schedule during the PPE period:

- **Second break: 10:45am**
- **First lunch: 12:05pm**

We also want to emphasise the importance of **student wellbeing** during this time. A balanced routine — including adequate sleep, nutritious meals, light exercise, and especially a good breakfast — can make a significant difference in focus and energy levels.

If you have any concerns about your child's wellbeing or need further support, please don't hesitate to contact either myself or Mr Leamey.

Revision

We're pleased to share that your child has received extensive support and guidance to help them prepare effectively for their upcoming PPEs. They should now be familiar with a range of high-quality revision resources, including **GCSE Pod**, **SPARX**, and **BBC Bitesize**, all of which are designed to reinforce learning and build confidence across subjects.

In addition, students have been attending **Revision Masterclass Workshops** during form time, where subject specialists have shared expert advice on how to revise strategically and efficiently for each subject area.

We're also delighted to see strong attendance at our after-school **Revision Café**, held every **Tuesday and Thursday**. This relaxed and focused environment offers students a quiet space to revise, ask questions, and stay on track — and it's been fantastic to see so many students making the most of it!

Our '**Supporting Success**' video is live on our website, and it includes more guidance and support on how to maximise revision during this time. [Temple Moor High School & Sixth Form - Red Kite Learning Trust - Supported Study and Revision](#)

Revision guides can still be purchased through school from our Librarian, Mrs Cartwright.

Thank you for your continued support and we wish our year 11s the very best of luck for these examinations.

Yours sincerely,

R. French
