

Monday 7th September 2026

Dear Parent/Carer,

I would like to take the opportunity to welcome all students back for the new academic year and introduce the support team we have available for your child in school. This letter also includes information about PPEs (Pre-Public Examinations), key events for Year 11 students and Year 11 prom.

Points of Contact:

Key Stage 4 Phase Leader:

Miss H England

englandh@tmhs.rklt.co.uk

As the KS4 Phase Leader, I am the first point of contact for any information, questions or concerns regarding your child's academic progress. In what will be a challenging yet rewarding year, I want to assure you that we will do everything possible to ease the pressures and stresses of Year 11. Please do not hesitate to get in touch with me as I would like to ensure that both yourself and your child are as informed and prepared as possible in the build up to their GCSEs.

Pastoral	Officer	Year	11:
Miss L Robertson			

If you have any questions or concerns around your child's pastoral care, or any support you feel they might need from external agencies, please contact their pastoral officer Miss Robertson who continues to support this cohort.

Contact Protocol

During school hours, staff need to prioritise supporting students and therefore we ask that you follow the below methods of parental communication with school.

If you need to contact us regarding an issue, please use the following methods, stating the name of the member of staff you wish to contact, and providing a brief description of the enquiry:

1. The Arbor app is monitored throughout the day so this should be your primary method of communication.
2. If this is unavailable, then you can email info@tmhs.rklt.co.uk
3. If you contact us via phone, it is not always guaranteed that someone will answer however you can use the main reception number (0113 390 0770) and leave a message either on the answer machine or with reception.

We will acknowledge receipt of your message; however, please allow for up to 48 hours for the specific member of staff to respond to your enquiry. If your issue relates to an urgent safeguarding matter, then please make this clear in your communication with school as we will respond appropriately.

Planners

Your son/daughter has been provided with a planner that contains lots of important information, and I would advise that you take the time to go through this with them. Students' weekly and overall attendance will be recorded in this planner, as well as their weekly positive behaviour record. This will support our positive learning environments and allow you to track this at home, too. This information is also available to you via our 'Arbor app'.

Attendance and Rewards:

At Temple Moor, we value students' progress and outcomes as we want to ensure every single student is provided with the best opportunities and life chances. This is only possible when students attend school so good attendance is vital. Although separate communication around attendance and rewards will be sent out in due course, you can access this using the link below.

[Attendance – Temple Moor \(tmhs.co.uk\)](https://tmhs.co.uk)

We want to provide our students with the best school experience and we will reward students throughout the year. Rewards vary from canteen vouchers, rewards assemblies, and trips and we will continue to work hard to recognise students' successes.

Year 11 PPEs (Pre-Public Examinations)

There will be two rounds of PPEs, with the first commencing from Monday 16th November and the second round the week commencing Monday 22nd February. They will last approximately one week. Exam timetables will be shared with students and parents/carers nearer the time.

It is important for students to recognise the importance of these PPEs as they will serve as a benchmark for students' knowledge and progress across their curriculum. These examinations will take place under normal exam conditions, with students being seating in the sports hall (unless access arrangements are in place) in order to give the students an accurate experience of the GCSE exam process. We know this can be daunting for students, but familiarity of exam procedures is certain to alleviate stress in the next round of PPEs and the summer GCSEs.

Revision

Your child will be receiving more support and guidance of the revision resources available to them through their Form Time Curriculum, so will be familiar with resources such as GCSE Pod, Seneca Learning and BBC Bitesize. It is recommended that they create a revision timetable to help ensure they can use their time effectively. Additional guidance from last year can be found here: [Supporting Success October 2023 on Vimeo](#)

Period 6 intervention is an official timetabled slot, meaning your child is having additional access to core subjects – English, Maths and Science – as well as an option subject.

Revision guides can be purchased through school. Simply ask your child to collect an order form from our Librarian, Mrs Cartwright.

Finally, they will receive additional intervention during form time from specialist Maths, English and Science teachers from January. I will send out further information about this closer to the time.

Sixth Form Open Evening

On Wednesday 4th November, we will be hosting our Sixth Form Open Evening. Not only is this an exciting opportunity to see what fantastic provision and learning we can offer your child here at Temple Moor Sixth Form, it is also a chance to explore our Sixth Form building and facilities. Each subject area will have a dedicated space within the school with specialist teachers on hand to provide information and answer any questions there may be about the courses on offer.

Following this, all students will be provided with time during Personal Development lessons to complete their applications for their chosen Post-16 destination. It is important that your child makes an informed decision and to therefore should begin their research now. We will also offer all of our students' guidance meetings with our Career Advisor to help them along the way as well as two rounds of meetings with the Sixth Form team.

Prom

Further details regarding Year 11 Prom will follow once we have booked our venue. In the meantime, it is important to be aware of the criteria to ensure students are eligible to attend:

- Students will need to have no unauthorised absences
- Students can have no more than 3 seclusions across the year
- Students can have no more than 5 phase 4s across the year
- No suspensions across the year

I appreciate there is a lot of information here, so if you do have any questions, please do not hesitate to get in touch. I am looking forward to working closely with yourselves and the students
