

Dear Parent/Carer,

I would like to take the opportunity to welcome all students back for the new academic year and introduce the support team we have available for your son/daughter in school.

As a school we highly value feedback from parents/carers and want to ensure you have a complete picture of where to source information and raise question's regarding your son/daughter's academic progress or pastoral care.

As your son/daughters' phase leader, I am available for any questions or information you might require around your son/daughter's academic progress and can be the first point of contact for any concerns or questions you might need to ask regarding their academic curriculum.

Contact Protocol

During school hours, staff need to prioritise supporting students and therefore we ask that you follow the below methods of parental communication with school.

If you need to contact us regarding an issue, please use the following methods, stating the name of the member of staff you wish to contact, and providing a brief description of the enquiry:

1. The Arbor app is monitored throughout the day so this should be your primary method of communication.
2. If this is unavailable, then you can email info@tmhs.rklt.co.uk
3. If you contact us via phone, it is not always guaranteed that someone will answer however you can use the main reception number (0113 390 0770) and leave a message either on the answer machine or with reception.

We will acknowledge receipt of your message, however, please allow for up to 48 hours for the specific member of staff to respond to your enquiry. If your issue relates to an urgent safeguarding matter, then please make this clear in your communication with school as we will respond appropriately.

Year 9 Pastoral Leader: David Hollingworth DSL

While all pastoral officers are DSL trained the DSL for the school is **Mr Beecroft** (Co principal) and the Deputy DSL is **Mrs Britton** (Deputy Principal). They can both be contacted should you have an urgent safeguarding concern.

In addition to this your son/daughter has a form tutor. The names of all form tutors in the year groups can be found below. Your son/daughter has a planner that contains lots of important information, and I would advise that you sit down and have a look through this with them.

Students weekly and overall attendance will be recorded in this planner as well as their positive behaviour record. This information, alongside negative behaviour records, can also be viewed on our 'Arbor app'. We have expectations for attendance and want students to be in school learning and experiencing opportunities to socialise and participate in a wide variety of activities. Every day they are not in school they are missing 6 hours of learning opportunities. Research evidence that there is a strong correlation between students with the strongest outcomes and high levels of attendance. For more information on our policies and procedures around attendance please use the below link:
