Foundations of Success

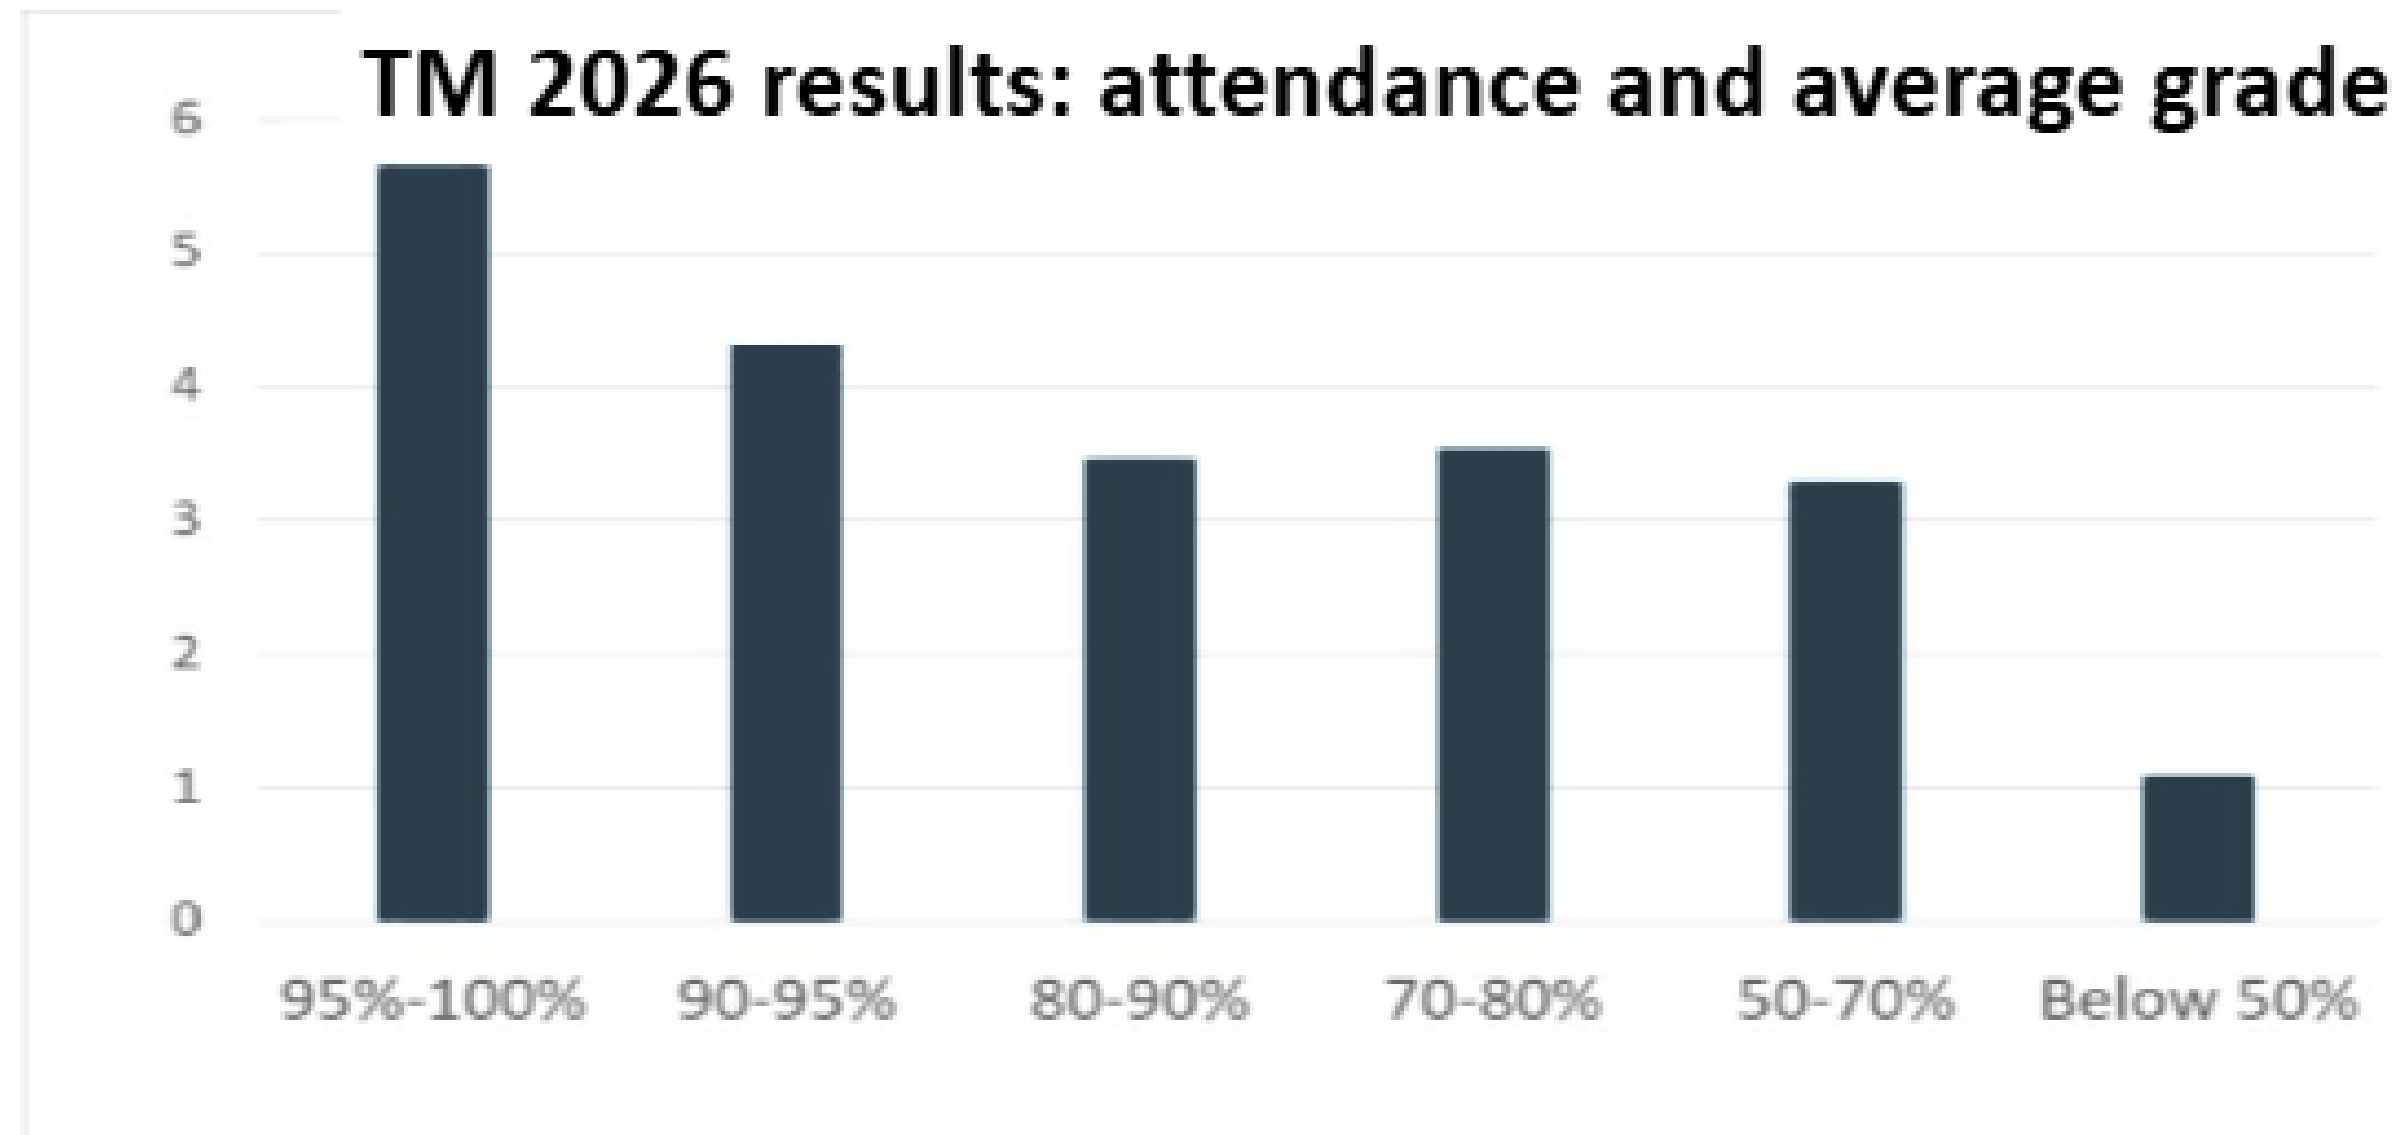

Attend - Prepare - Ask for support

The Year 11 journey

A clear route from preparation to results day

Attendance matters so much in Year 11

Missed lessons = creates gaps that must be recovered

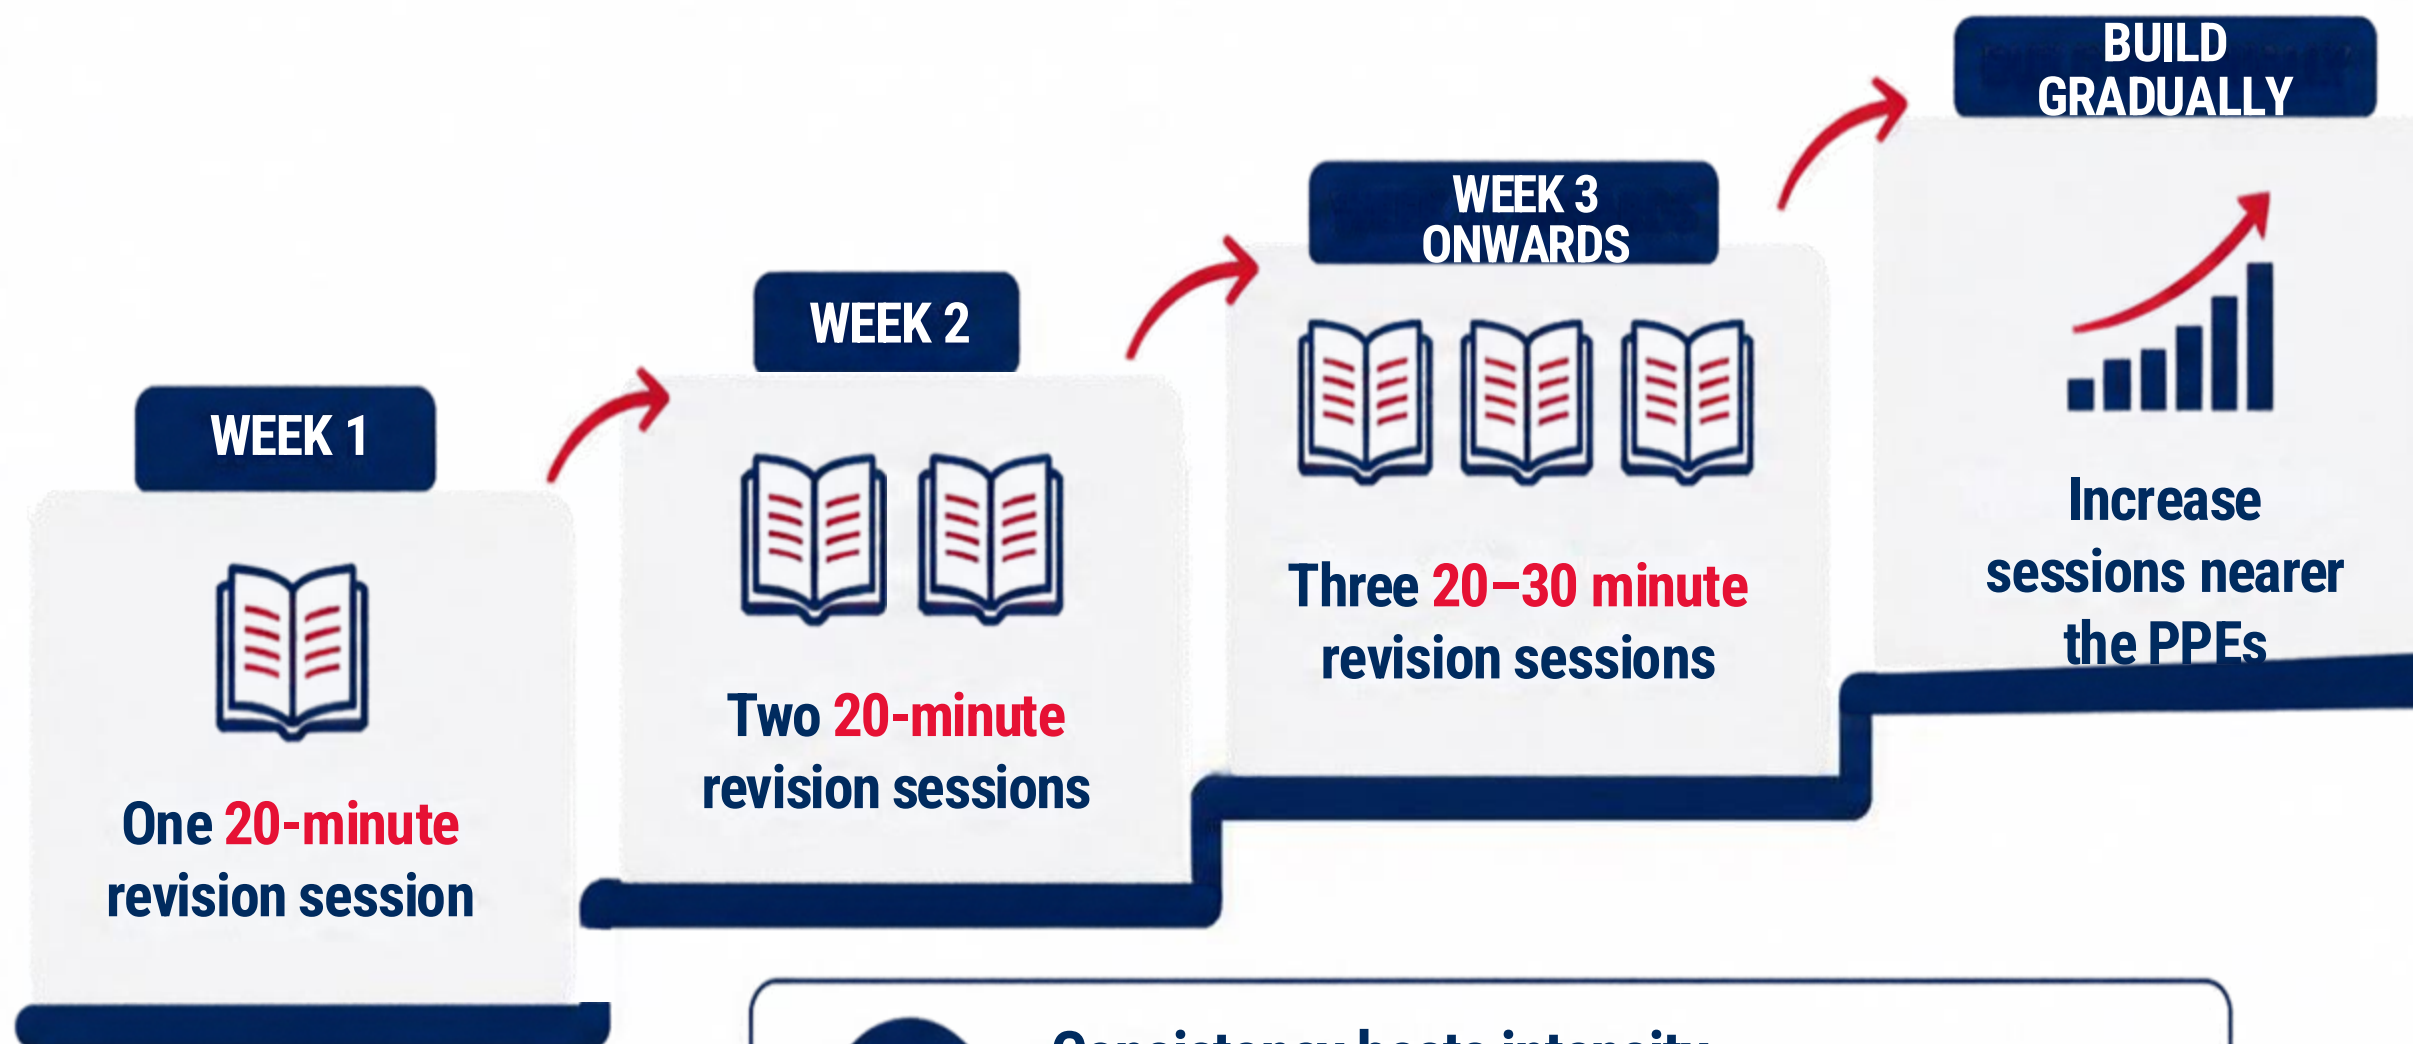

We ask of you....

- Avoid term-time holidays
- Report absence promptly
- Speak to us early if health or attendance becomes a concern

Start small. Build the habit.

Small steps today. Big results tomorrow.

Consistency beats intensity.

Twenty minutes completed regularly is more effective than three hours completed once.

I forgot to change the gloves from the seller	我忘记从卖家那里换手套了。
I bought a new mobile phone	我买了一部新手机。
I wasted your money on lottery ticket	我把你的钱浪费在彩票上了。
I don't like this	我不喜欢这个。
I am sorry I forgot your dinner invitation.	我很抱歉我忘了你的晚餐邀请。
We can meet after work and talk.	我们可以在下班后见面并交谈。

Five ways you can help

Small actions at home make a big difference in Year 11

1. Protect attendance and punctuality

Every lesson matters. Good routines in the morning and avoiding term-time holidays make a real difference.

2. Help establish a realistic weekly routine

Balance homework, revision, rest, exercise and sleep. Consistency is more powerful than last-minute cramming.

3. Check ClassCharts and key dates together

Look at homework deadlines, attendance and upcoming events. Plan ahead and stay organised together.

4. Encourage active revision, not just time online

Retrieval practice, flashcards, quizzes and exam questions help learning stick. It's about how they revise, not just how long.

5. Contact school early when something isn't working

Tell us straight away if you have concerns. Early conversations mean we can remove barriers and provide the right support.
