

Have you ever considered becoming a School Governor?

The local governing bodies of Red Kite Learning Trust need additional governors and are looking to recruit people with the skills, enthusiasm and experience who would like to volunteer their time in supporting the young people across our Trust.

If you have expertise in one of the following we would love to hear from you:

- Finance and Accounting
- Business and Marketing
- Leading in the Education sector
- Safeguarding and Child protection
- HR
- Property and Estates Management

We celebrate the diversity within our schools and want our governors to also reflect the populations we serve. We'd particularly welcome individuals from our Black, Asian and Minority Ethnic groups.

Being a school governor is a hugely rewarding role and it's management alongside the 'day job'. You'll attend 5 full meetings each academic year along with any sub committees if required. Governors review the strategic aims and objectives of the school, monitoring and evaluating the progress the school is making towards its aims by providing effective support and challenge to the Headteacher and Senior Leadership Team. They also bring valuable insights and ideas from their own experiences that enrich our schools.

The Red Kite Learning Trust is a 13-school Trust based across North and West Yorkshire, with over 8,000 children and 1,200 members of staff. We pride ourselves on our strong ethical values and collaborative ethos.

If you would like more information or wish to apply, please contact:
