By submitting options choices, you are confirming that you have read the options booklet information and understand the following points:

- i). A broad spread of options choices is offered in good faith by the school, but some courses may not run if uptake is low or facilities/changes in specialist staffing/national qualification changes limit course availability.
- ii). Students may not be allocated their first choice and must, therefore, be prepared to study their reserve choice if this becomes necessary.
- iii). Students cannot select subjects which come from the same qualification family (as outlined in the frequently asked questions section e.g. One of Art **or** Textiles, Business **or** Enterprise, or Sport **or** PE.
- iv). Once options have been started, students are **not** able to change courses.
