

Monday, 18 November 2024

Dear Parents/Carers,

Polite reminder about the upcoming PPEs for our year 11 students.

These will run from Monday 25th November to Friday 6th December.

On the day of the exam, students will go to their forms as normal. Once form time has finished, they will head straight to their exam. Therefore, punctuality and attendance are crucial – we need students to arrive on time to be ready and prepared for their exams, so we would really appreciate your support with this.

As many of the morning exams are likely to run beyond 9:45, our year 11 students will be on second break (10:45) and first lunch (12:05), for the duration of the two-week PPE period.

It is also important that we make sure students are taking care of their physical, mental, and emotional wellbeing during this time. We recommend a healthy routine, a restful night's sleep, a healthy diet, and light exercise. We would also recommend that students eat breakfast to maximise their brain power and get their energy levels up. If you have any concerns regarding your child's wellbeing, please do not hesitate to get in touch with myself or Miss Campey.

Please remind students of the importance of these PPEs as they will serve as a benchmark for students' knowledge and progress across their curriculum. These examinations will take place under normal exam conditions, with students being seated in the sports hall (unless access arrangements are in place), to give the students a true and accurate experience of the exam process. We know this can be daunting for students, but familiarity of exam procedures is certain to alleviate stress in the next round of PPEs and, therefore, the summer GCSEs, too.

Revision

Your child has received lots of support and guidance around the revision resources available to them, so should be familiar with resources such as GCSE Pod and BBC Bitesize. Students also have access to a 'Revision Café' after school on Tues, Weds, Thurs prior to the exams: it has been fantastic to see so many students there.

Our 'Supporting Success' video is live on our website, and it includes more guidance and support on how to maximise revision during this time. Temple Moor High School & Sixth Form - Red Kite Learning Trust - Supported Study and Revision

Revision guides can still be purchased through school and paid for using the ScoPay website. Simply ask your child for an order form from our Librarian, Mrs Cartwright.

Thank you for your continued support and we wish our year 11s the very best of luck for these examinations.

Yours sincerely,

Miss R French
