

Thursday, 6 February 2025

Dear Parents/Carers,

As I'm sure you're aware, the next round of year 11 PPEs is fast approaching.

These exams will run from Monday 24<sup>th</sup> February to Tuesday 4<sup>th</sup> March (with the exception of MFL speaking exams which will take place in classrooms WC 10<sup>th</sup> February).

It is important for students to recognise the importance of these PPEs as they will serve as a benchmark for students' knowledge and progress across their curriculum. Alongside this letter you will find the PPE timetable.

These examinations will take place under normal exam conditions, with students being seating in the sports hall (unless access arrangements are in place), to give the students a true and accurate experience of the exam process. We know this can be daunting for students, but familiarity of exam procedures is certain to alleviate stress in the summer GCSEs.

On the day of the exam, students will go to their forms as normal. Once form time has finished, they will head straight to their exam. Therefore, punctuality and attendance are crucial – we need students to arrive on time to be ready and prepared for their exams. We would really appreciate your support with this.

As many of the morning exams are likely to run beyond 9:45, our year 11 students will be on second break (10:45) and first lunch (12:05), for the duration of the PPE period.

It is also important that we make sure students are taking care of their physical, mental, and emotional wellbeing during this time. We recommend a healthy routine, a restful night's sleep, a healthy diet, and light exercise. We would also recommend that students eat breakfast in order to maximise their brain power and get their energy levels up. If you have any concerns regarding your child's wellbeing, please do not hesitate to get in touch with myself or Miss Campey.

## Revision

Your child has received lots of support and guidance around the revision resources available to them, so should be familiar with resources such as GCSE Pod, BBC Bitesize, Sparx, etc. We really encourage students to create a revision timetable and make use of these at home so they can manage their time effectively.

On Wednesday 12<sup>th</sup> February, we are hosting our Annual Supporting Success Evening in school from 5:30pm – 6:30pm. The evening will run like a 'Revision Fair' with our Curriculum Leaders on hand to share some of the best revision tips for their subjects. This is an excellent opportunity for parents, carers and students to develop their understanding of how to maximise the time we have left before GCSE exams begin.
